Head Teacher: Mr M Andrews

Dear Parents / Carers

Competition time!

'Arts Week is about capturing, celebrating and finding joy in all the beauty and wonder that surrounds us.'

We are very excited to be running a competition linked to Arts Week. We would like the children to design and decorate the letters of the words:

- Kindness
- Teamwork
- Creativity
- Curiosity

These four words are our core values at school and have been chosen by the children. To highlight the importance of these words we would like to renew and rejuvenate our entrance area into school by painting the winning designs onto the walls!

The children need to design and draw their own lettering (you can use a font on the computer if this helps. They can choose one or more words to decorate. The children need to use bright colours, patterns, happy faces and maybe even the school logo. Be as creative as you can!

Please could all designs be in school by **Friday 30th June 2023** and our Chair of Governors Vivien Stevens will choose a winner for each word. The children will receive a prize and have their work become part of our school entrance for everyone to see to and enjoy!

Yours sincerely,

Dee Taylor

Art, Design and Technology Leader
