Summer 2 – Tuesday 9th May 2017

Dear Parents

FUBS are doing an amazing job of raising money for the school with the different events they are running. Thank you to everyone who is volunteering some of their time to help with these. Please look at the school website (<https://upper-beeding.eschools.co.uk/web>) to find out more about **FUBS** - who they are, things they do and what the money they raise is used for. This year FUBS are trying to raise a huge amount of money to replace our Adventure Trail and put in an all weather surface under it! Please keep checking out their board as well as looking at the website and speaking to the class reps. THANK YOU FUBS!

School Funding and Governors' Day of Action

Please see attached the letter from the Governing Body about what they are doing to support the Worth Less Campaign fighting for fairer funding in all our schools.

As a school and in support of this, we are having an aerial photo taken of all the children spelling out the word "HELP!" on Friday 12th May. If you do not wish your child to take part, please let us know by 9:00am on Friday 12th May.

Sainsbury Vouchers We are still collecting these! Please hand in any that you may have left at home by **Friday 20th May**, as the scheme is closed and we only have a short time to place an order. Thank you.

Walk to School Week NEXT WEEK! - Monday 15th to Friday 19th May. Walking to school is one of the easiest ways to improve both your own and your children's health. It's free and great for the environment. Each classroom has been given a fun information pack to encourage children to walk all or part of the way to school; it also familiarises children with road safety. We would also like to take this opportunity to remind parents about safe parking outside of school and the further away you are able to park, the better.

Parking It is really disappointing that I am still having to ask parents to be more considerate about where they park outside of school and also how some are driving. Over the last couple of weeks we have had bottle necks created due to parents parking on the single yellow line and some drivers have resorted to mounting and driving along the pavement to get past. The safety of our children is being put at significant risk – please think carefully about where you park and the impact this will have on the children trying to get to school.

Class Organisation for September 2017

During the week before half term we will be asking the children to choose two friends they work well with, which will help us in sorting out the classes for next year. Our aim is to ensure that they will be in the same class as at least one of their named friends. We will then be reviewing the lists and placing the children in appropriate groupings for their new classes. New class lists will go out with the children's annual reports on Wednesday 12th July. If you have any concerns, please speak to either myself, Mr Hughes or Mrs Quigley. Alternatively, please feel free to drop us an email or letter by **Friday 26th May**. Please do this even if you have told us in previous years, as things change over time. As you know, we cannot promise anything but we do try to take everything into consideration.

Best wishes

Becky Linford
Headteacher
