Autumn 4 – Tuesday 31st October 2017

Dear Parents

The week before half term saw our older children have a fantastic time away on our school residential (photos will be on the computers in the Old Building during parents' meetings) with the rest of the school taking part in a 'Fantastic Science Week'. Videos have been made and will be on the website soon! We have also developed a short video of our Harvest celebrations with the local community and this will be on the website by the end of the week. Our website is a useful place to check for information and dates if you are unsure of anything.

Parents' Meetings – Wednesday 1st November and Thursday 2nd November We are looking forward to seeing all of our parents over the next couple of evenings. If you are unable to make one of the appointment times, please speak to the class teacher to make an alternative date and time.

Poppies There will be an opportunity for children to donate and purchase poppies and poppy related items from *Thursday 2nd November*. Year 6 children will visit each class on a daily basis to collect donations for poppies and the other poppy related items.

Individual Photographs Children will be coming home with their school photographs on Wednesday 1st November! Please return any orders and payments to the School Office by Tuesday 14th November.

FUBS AGM is being held on **Tuesday 7th November at 7:45pm** at **The Rising Sun, Upper Beeding**. Every parent is very welcome - FUBS really would love to see you there.

FUBS do an amazing job raising money for the school and providing family events. Even if you could only give a couple of hours of your time a year it would be much appreciated.

Lost property There is a mountain of unnamed items in lost property, including winter coats. Please do make time at either drop off or collection to have a look through. Please may we remind you to make sure that clothes are **named**. Thank you.

Parent Governor Our Governing Body has a vacancy for a parent governor. We are looking for any parents who have the time and capacity to support the strategic development of the school in this voluntary capacity. Areas that would enhance the skillset we currently have on the governing body are knowledge and understanding in IT, legal, data handling and/or finance skills. If anyone is interested in being a parent governor, please ask in the School Office for the appropriate forms. A letter is attached with more information.

Children in Need – Friday 17th November

Year 5/6 will be raising money for this worthy cause again this year. A letter will be coming home with further details about the events we will be holding. The theme this year is **"The Big Spotacular"** and we are inviting all children to dress up in something spotty for a £1 donation, as well as take part in a cake and book sale.

Best wishes
Becky Linford
Headteacher
