Dear Parent/Carer,

Have you ever considered becoming a school Governor?

The Governing Body is currently looking for additional Governors and would love to attract the skills and experience of parents who want to give something back to the school.

School Governors are volunteers who work together with the Head Teacher to deliver the best education for the pupils at their school. Generally, school Governors are not specialists in education. Instead, much of the role is about exercising common sense – and of course working together in the best interests of the children. The Governors work with the Head Teacher on a diverse range of matters – from deciding what kind of school we want to be and thinking about how we want it to get there, to setting school policies and ensuring money is spent on the right things.

Governors are unpaid, doing what they do simply to try to make Upper Beeding the best school it can be. In return they gain skills which they may not otherwise acquire, as well as getting a wider perspective on a key part of their community. Most importantly, Governors get the satisfaction of knowing they are helping to make a difference in the education of the children.

If you would be interested in having an informal chat about the role to find out more about how you can contribute to governance at our school, please email the school with your details at ubpsgovernors@yahoo.com and we will arrange a time for an informal conversation. Thank you.

Best wishes
