

Amazing Americas

MATHEMATICS

- Multiplication and Division (Y3&4)
- Length and Perimeter (Y3&4)
- Fractions (Y3&4)
- Money and Statistics (Y3 only)
- Decimals (Y4 only)

ENGLISH

We will be writing in a range of styles whilst focusing on spelling, grammar and punctuation:

- To write a letter using persuasive language about deforestation
- 'Talk for Writing' / newspaper report using 'The Great Kapok Tree'
- To debate and develop persuasive arguments
- Writing tasks using the text 'The Shaman's Apprentice'
- **Guided Reading** — 'The Explorer' by Katherine Rundell and topic related non-fiction texts. Children will complete a range of reading tasks including comprehension

GEOGRAPHY

Locational Knowledge— locate and name countries in North and South America; identify famous landmarks; plot Tropics of Cancer and Capricorn, lines of longitude and latitude and the Equator

Place Knowledge - make Top Trump cards to show differences between landmarks in the UK and North and South America

Human and Physical Geography - describe layers of the rainforest and the animals that live there; research question "Why are mushrooms sometimes found in deserts?"; explore wind erosion; look at deforestation and discuss its wider impact on the world

Geographical Skills - use GIS and maps to investigate how rainforests have diminished over years; use of atlases and Google Maps to locate places studied

HISTORY (Short study of Mayan Civilisation)

Chronological Understanding - ordering key Mayan Dates and key events

Historical Knowledge - asking key questions about Mayan civilisation; recording key facts

Interpretations of History - information books, evidence packs

Historical Enquiry - exploring Mayan number system; labelling map of Mayan cities; asking questions and researching Mayan society; investigating Mayan lives, sports, food, gods, numbers, clothes and cities

Organisation and Communication - recalling, selecting and organising historical information in written form; using different genres of writing; communicating ideas about the past; drawing diagrams

SCIENCE

Animals, including humans

- Observing our teeth and their functions
- Understanding why we need to care for our teeth - egg experiment
- Investigating the journey of Colin the Cracker through the human digestive system
- Understanding the function of parts in the digestive system - what do we need to be healthy? (the Eatwell food plate)
- British and rainforest animals - exploring food chains (producers, predators and prey)

Living things and their habitats

- How many animals and plants can we find in the wildlife area?
- How can we classify and identify these?
- Research - how are these animals/plants suited to their environment?
- How threats to environments affect the habitats and food chains of animals

ART

- To explore the work of the artist Henri Rousseau
- To use different effects and textures, blocking in colour, washes, thickened paint creating textural effects; colour mixing - know which primary colours make secondary colours, using specific colour language to mix tints and shades
- To produce pop art featuring North and South American landmarks using digital media

TECHNOLOGY

Design - to investigate Aztec patterns and designing patterns to go onto a tunic

Make - to plan a step by step guide to making the tunics and using various sewing and stitching techniques to sew hems and embroidery

Evaluate - investigate a range of relevant 3D textile products; take into account others' views

Technical knowledge - understand how to securely join two pieces of fabric together; understand the need for patterns and seam allowances; know and use relevant technical vocabulary

COMPUTING

Programs and Algorithms (Scratch programming) - make a hide and seek game with disappearing characters; animating letters; choosing a character to make it fly; choosing musical instruments, adding sounds and pressing keys to play music; creating a Ping Pong game

Search Technologies - locate information on search results page; structuring search queries to locate specific information

Using Software - publishing work with a focus on layout and presentation

Online Safety - assess whether information is true and reliable; analyse contents of web page for clues about credibility of information

FRENCH

Listening, Speaking, Reading and Writing

- To investigate human and physical geography of France
- To learn key words associated with colours, the family and clothes

Grammar

- Verbs – 1st, 2nd person; past, future tenses
- Gender – masculine, feminine nouns
- Pronouns and word order of adjectives

PE

- Develop skills needed to play hockey and basketball as well as the tactics needed to play small sided games
- Gymnastics: looking at ways of travelling
- Develop swimming technique
- To create a dance routine

R.E.

- Could Jesus really heal people? Were these miracles or is there some other explanation?
- Studying the key events of Easter

PSHE

- **Dreams and Goals**— New Year resolutions; what is ambition?; my achievements and strengths; obstacles to achieving; dream catchers
- **Healthy Me** - sun safety; food choices (teeth); my feelings; what is healthy eating?; risks, dangers and hazards; fire safety

MUSIC

- Cross curricular performing and composition skills
- Listening and appraising music
- Rhythm games to develop sense of pulse and rhythm
- Samba music
