

Dear parents/carers,

Today (**Tuesday 8th February**) we have joined schools and youth organisations across the UK in celebrating **Safer Internet Day 2022**. Safer Internet Day is a global campaign to promote the safe and responsible use of technology, which calls on young people, parents, carers, teachers, social workers, law enforcement, companies, policymakers and more, to join in helping to create a better internet.

Using the internet safely and positively is a key message that we promote at Upper Beeding, and celebrating Safer Internet Day is a great opportunity for us to re-emphasise the online safety messages we deliver throughout the year.

We would be delighted if you could join us in celebrating the day by continuing the conversation at home. To help you with this, you may be interested in downloading the free Safer Internet Day Resources for Parents and Carers which is available at: [saferinternet.org.uk/sid-parents](https://saferinternet.org.uk/sid-parents).

There are top tips, quizzes, and films which you can use at home with your child.

Some other resources which you may find helpful in supporting your child online are:

- Tips, advice and guides for parents and carers from the [UK Safer Internet Centre \(saferinternet.org.uk/parents\)](https://saferinternet.org.uk/parents)
- Advice for parents and carers from [Childnet \(childnet.com/parents-and-carers\)](https://childnet.com/parents-and-carers)
- Reviews and information about games, apps, TV shows and websites from [Common Sense Media \(commonsense.org\)](https://commonsense.org)
- Help on using parental controls and privacy settings from [Internet Matters \(internetmatters.org/controls\)](https://internetmatters.org/controls)
- Information and reporting of online grooming or sexual abuse from [CEOP \(ceop.police.uk\)](https://ceop.police.uk)

We also will be holding a **free** 'Parent Internet Safety Workshop' on **Monday 14<sup>th</sup> March at 4:00pm** that will include a short presentation and offer lots of advice and guidance about keeping your child safe online. We will also be setting up a live link where parents who cannot attend can watch from home.

If you have any concerns or questions about keeping your child safe online, please do get in touch with your class teacher, our computing leads (Mr Moule/Miss Whyte) or any of our Designated Safeguarding Leads (Mrs Linford/ Mr Hughes/Mrs Gwilliam).

Kind regards,

Mr Moule and Miss Whyte
