Dear Parents/Carers

Outdoor Play and Learning (OPAL)

Thank you so much for your donations for lunchtime play back when we started our OPAL journey in 2024, as well as all of the extras which have been brought in since then. The children have had a brilliant time using all of the different resources at lunchtimes, and it has been so lovely to see their creativity shining through.

Some of the toys and pieces of equipment have been in use for over 2 years now, and have seen hundreds of hours of play so could do with replacing or being topped up with more resources. We have had an assembly with the children to discuss what items they think would help keep lunchtimes exciting, and I have attached the first 10 items to this letter. We will send another 10 items which the children would love to have towards the end of term – if you or someone you know has any of these which you no longer need we would love to have them and be most grateful for the support.

Any donations can be given to adults on the gate in the mornings or left by the fence next to the main gate (in our designated donation zone).

Many thanks for anything that you are able to donate, and for your continued support.

The OPAL Team
