Thursday 14th September 2023

Dear Parent/Carer

Next **Friday 22nd September** we will be supporting and raising money for the Connor Saunders Foundation.

This foundation is a charity set up by the parents of Connor Saunders who tragically died aged just 19 years old.

All pupils and staff are invited to wear to school as much BLUE clothing as possible in exchange for a suggested (minimum) donation of £1.00 per child. Blue is the colour suggested by the charity for this fundraising day as Connor was an avid supporter of Chelsea FC.

The Connor Saunders Foundation first came into our school in October 2019 to teach first aid to our older pupils, and they also donated to us our very own school defibrillator. We were the lucky 100th school that the Foundation presented a defibrillator to, and they have since donated many more.

We would very much like to continue to support them in their charity work, collaborating with schools and the community, and raising awareness about basic first aid that children can administer and how to help each other.

If you would like to know more about The Connor Saunders Foundation and the excellent work they do, please visit the charity's website at <https://www.connors5.com/>

Donations towards this charity day may be paid in school in cash on the day, or via your SQuid account before the day if this is easier.

Thank you for your support, it is much appreciated.

Best regards
Mr Matt Andrews
Head Teacher
