Spring Term 2022 – Years 5 and 6

Dear Parent/Carer,

Our theme this term is **'To Infinity and Beyond'**. We are very much looking forward to investigating our solar system. We have attached a topic plan so that you can see some of the key activities and learning journeys the children will be covering. If you are a Space expert or have any interesting items or resources you could share with the children we would love to hear from you!

World War Two

We have come to the end of our Autumn term topic, 'World War Two'. Your child will be bringing their completed topic book home to share with you. Please could you add a comment on the review sheet about your child's work this term and return to school no later than **Friday 14th January**.

Science Museum

We are very excited to announce that we have booked our educational trip for this term to the Science Museum in London! The trip will take place on **Thursday 31st March 2022** - full details will follow shortly.

Class Assemblies

If you would like to see your child taking part in their class assembly, the dates for this term are as follows:
ICELAND CLASS (Miss McKay) – **Friday 18th March** (2:45-3:10pm)

PE

Unfortunately, at the end of last term, some children were beginning to forget their PE kit, and as we have limited spares at school it is not always possible to provide an alternative. Please could you ensure that your child has their named kit in school so that they are able to participate fully in all PE and Games sessions. The children should wear either a white t-shirt or a t-shirt in their House colour. Appropriate footwear is needed for PE sessions on the playground or field. As the weather can be quite cold at this time of year, children are permitted to wear a sweatshirt and jogging bottoms for outside games lessons.

Children are not permitted to borrow kit from other children.

If your child is unable to participate in a session due to illness or injury, please either inform the office or send a short note in to your child's class teacher.

PE days

The days for PE lessons are detailed below.

ITALY CLASS (Miss James) – Monday and Friday (swimming on Fridays until 28th January)

MOROCCO CLASS (Mr Moule) – Thursday and Friday

ICELAND CLASS (Miss McKay) – Thursday and Friday (swimming on Fridays until 28th January)

USA CLASS (Mr Jones) – Monday and Friday

Homework

We will be sending home our *'To Infinity and Beyond'* homework grid this week. This system is intended to give the children more independence and choice as to what they would like to do to extend their own learning. Your child will select a task to complete every two weeks over the term.

Pupils will also receive a mathematics task from their teacher each week and a grammar activity. Each piece of homework should take up to 45 minutes.

Your child will bring home a spelling list each week.

The handing in dates for homework are as follows:

- Grammar homework is set on Fridays and is due in the following Wednesday.
- Maths homework is set on Fridays and is due in the following Wednesday, as well as practising their times tables.
- In addition to this homework, children will be expected to read on a regular basis.
- Weekly spelling lists will be sent home each week for the children to practice.

If your child is unable to complete a task in the time allocated or is unable to hand the work in on the set date, please let the class teacher know.

Occasionally, we may send pieces of work home to be completed. This is to ensure that your child does not fall behind the majority of the class and become overwhelmed with trying to complete several tasks during the school day.

Healthy Lunchboxes

As part of our aim to provide our children with healthy lifestyles, we would like to remind you that your child should be provided with a balanced packed lunch if they do not have a hot meal booked. If your child would like a snack at breaktime, please can you ensure that they bring a piece of fruit or vegetables, such as apples or carrot sticks.

Please **do not** send your child to school with **nuts, peanut butter, Nutella chocolate spread, or products containing nuts** as we do have children in the school who are severely allergic to such items.

Your child should be encouraged to bring a **water bottle to school** – these should not be used for drinking squash or fruit juice.

SATs

Our Year 6 pupils will start preparing for their end of Key Stage assessments during this term. If you have any questions about the tests, or the preparations that the children will be doing in school, please do not hesitate to ask. SATs week will start from **Monday 9th May 2022**.

If you have any concerns or fabulous ideas that we could implement at school, please do not hesitate to contact us.

Yours sincerely,

Mr Jones, Miss James, Miss McKay and Mr Moule
Year 5/6 Class Teachers
