

DETAILS OF SUPPORT AND IMPACT OF PUPIL PREMIUM Academic year 2019 - 2020

9UPPER BEEDING PRIMARY SCHOOL

Pupil Premium at Upper Beeding Primary School principles:

The targeted and strategic use of Pupil premium will help us achieve the best learning experiences for all pupils at Upper Beeding Primary School.

- To ensure that appropriate provision is made for pupils who belong to vulnerable groups, this includes ensuring that the needs of socially disadvantaged pupils are adequately assessed and addressed.
- In making provision for socially disadvantaged pupils we recognise that not all pupils who receive free school meals will be socially disadvantaged.
- We also recognise that not all pupils who are socially disadvantaged are eligible for free school meals. We will allocate the Pupil Premium money to support any pupil the school has identified as being socially disadvantaged.
- Limited funding and resources means not all children eligible for free school meals will be receiving Pupil Premium interventions at one time.
- We carefully track the impact of this funding on the attainment, progress and welfare of our disadvantaged children.

Main Barriers to educational achievement

Through discussion with children, their parents and teaching staff, we have identified barriers to educational achievement for each of the 26 children. These are varied, but some commonly occurring barriers include:

- a) Gaps in core learning and knowledge
- b) Attendance and punctuality
- c) Poor economical circumstances
- d) Poor attitudes to learning
- e) Behavioural and emotional issues
- f) Unsettled home life
- g) Special education needs

DETAILS OF SUPPORT AND IMPACT OF PUPIL PREMIUM Academic year 2019 - 2020
