September 2025

Dear Parent/Carer

Our School Milk Scheme

Our school provides a milk scheme that is available to all of our pupils and we will register your child to receive milk from their start date (unless you advise us otherwise). School milk is free for all children that are under five and/or registered for free school meals (not to be confused with Universal Free School Meals) and is subsidised for other pupils.

Each pupil that registers with Cool Milk will receive a carton of semi-skimmed milk every day, which is delivered fresh and chilled to the classroom. Their school milk will not only provide them with essential nutrients, but as it is rehydrating and energy boosting, it also bridges the gap between breakfast and lunch to help children stay focused. Find out the top ten reasons to drink school milk at <https://coolmilk.com/mighty-milk/>.

How to register once your child turns 5

Simply register at www.coolmilk.com or complete a registration form available from our school.

My child is under five and/or registered for free school meals

- Just register by a Tuesday 5pm for your child's free milk to start the following week.
- Free milk for under-fives will continue until the Friday before your child's fifth birthday. You will receive a payment request four weeks before this time- if you wish your child to continue to receive school milk simply make a payment.
- Free milk for children entitled to free school meals will continue to be delivered until they leave primary education, or when they are no longer eligible for free school meals.

My child is five or older

- Please register and pay online at www.coolmilk.com.
- You can pay Cool Milk online in half-termly, termly or annual instalments.
- Please pay by Tuesday 5pm for your child's milk to start the following week.

If you have any questions regarding school milk please visit www.coolmilk.com or contact Cool Milk directly on 0800 321 3248. More information on milk is also available from the school.

Yours faithfully

Matt Andrews
