Head Teacher: Mr M Andrews

Dear Parent/Carer

Sticks, Stones and Bones Year 3/4 Topic Autumn 2024

Tuesday 19th November – WOW DAY

To celebrate our topic, we will be holding a **WOW Day** on **Tuesday 19th November**. We would like the children to come dressed as a person of the Stone Age. We have included some photos for costume ideas. On the day, we will engage in many arts and crafts activities, including making bone/teeth necklaces using salt dough, designing our own animal skin outfit, building Bourbonhenge, and making plaster cast fossils.

Design and Technology

As part of our Design and Technology Cooking Curriculum, the children will both taste and design their own vegetable soups. We will look at food hygiene, tasting soups, designing our own soup, and following a recipe to make it!

In order to contribute towards the costs associated with the Wow Day and our topic this term, we will be asking for a voluntary contribution of **£5.00** which can be paid for online via your child's sQuid account. We would love all the children to be able to participate in all our topic events, but if you have any difficulty with making this contribution, please speak to your child's class teacher or Mr Andrews in confidence. Unfortunately, we may have to consider cancelling some of our topic experiences if we don't receive adequate contributions towards the costs involved.

Your payment will include contributions towards:

Arts and crafts materials – plaster cats, salt dough and bourbon biscuits

Design and Technology – soups for tasting, vegetables to make soups

Artefacts loan box – Stone Age artefacts from museum, insurance

Kind Regards,

Mrs Stringer, Mr Marsh and Mr Hughes
